Camp fee paid to Koinonia is \$1,820.00 for one week of New Ground Day Camp.

Each site independently determines how to cover these costs. This fee covers the costs for up to 32 campers. Sites larger than 32 campers require special arrangements. A non-refundable deposit of \$606 should be enclosed with this application. A second non-refundable deposit of \$607 will be due upon return of signed agreement confirming camp dates. These deposits are refunded only if Koinonia does not accept your application or cancels your camp. The final payment of \$607 will be due the week following your New Ground Day Camp.

All sites are encouraged, but not required, to hold a "Step-Out Awareness" event to help spread the word about your program and to possibly apply to receive Thrivent funds in support of your program. For more explanation of these fees and review the "Program Description" brochure and "Common Questions about New Ground" flyer.

Criteria for Acceptance: New Ground will accommodate at least four sites in 2009. Criteria have been established to prioritize requests including: postmark of application, staffing availability for specific dates and perceived ability of the site to meet facility needs and mission goals.
