

Koinonia NEXT: Welcoming the NEXT Generation

Campaign Progress to Date

We have already...

- Remediated mold in all buildings
- Installed split air/heat units and dehumidifiers in all buildings
- Painted walls and repaired chimneys
- Installed high speed Wi-Fi at the Conference Center
- New roofs on the Conference Center, Caritas House, Hillside, Lakeside, Asdal, and Office buildings
- Renovated the Lakeside kitchen
- Upgraded electric and fire systems
- Supported a part time website designer & Development Director
- Paid ¼ of 2022 Nature Camp expenses
- Replaced the meditation garden fence
- New carpeting and flooring installed in the Office/Staff house
- Painting of the interior and porches of the Office/ Staff House
- New floating bridge
- Electricity brought to The Rafters
- Upgraded entire waterfront area
- Bathroom upgrades in the Conference Center - new showers and lights
- Hillside (fmr. Family Center) Cabin remodel

Thanks to the generosity of many donors, we achieved our original \$1 million goal in the fall of 2022. By Spring 2024, we exceeded our challenge goal of \$1.5 million. These contributions have allowed Koinonia to implement vital improvements, making the camp more enjoyable and comfortable for our visitors. For more details on the Campaign's progress or for ways to get involved, please reach out to Kathleen at kkruen@koinonianany.org.
